Tom Hymer
The Growth Coach
Hutchinson, KS

Dear Tom,

I really enjoyed the day, getting a chance to learn about your coaching for businesses. It really made me dig deep and see what and where my priorities lie.

The day was not only delightful meeting new folks, but the food that you provided and then the place we had it at! Wow, very nice!

I also enjoyed the group, a real variety of people and enjoyed meeting each of them. I felt very comfortable with the group and look forward to our next meeting.

Indeed The Growth Coach is addressing the concerns and challenges of running a non-profit organization.

Sincerely,

A handwritten signature in blue ink that reads "Tomi Ann Foust".
