Dear Terry,

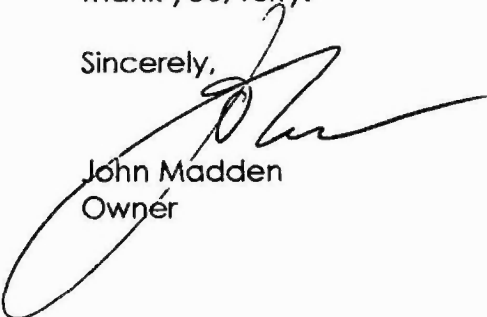

I wanted to drop you a note to tell you how much I enjoyed and appreciated the first session of The Growth Coach program that you had facilitated on Wednesday, July 9, 2008. In fact I would recommend your coaching program, The Growth Coach, as an excellent opportunity for business individuals. I'm very impressed with the materials and with the way you were able to inspire each person in the group to be and to do his / her best.

The interaction of the group is an extra bonus. I feel I have a team of people who are interested in my success just as I am in theirs. Your program has certainly re-emphasized the importance of following a written plan. The Strategic Planner is something I plan on reviewing on a daily basis. I am looking forward to working with you on a one-to-one basis on holding me accountable to the goals I have developed for myself.

Again I am happy to recommend you and The Growth Coach program to any business owner or entrepreneur.

Thank you, Terry!

Sincerely,

John Madden
